

Health and safety policy statement

Health and Safety at Work etc Act 1974

This is the Health and Safety Policy Statement of

Onesys Group and subsidiary companies

Our statement of general policy is:

- to provide adequate control of the health and safety risks arising from our work activities;
- to consult with our employees on matters affecting their health and safety;
- to provide and maintain safe plant and equipment;
- to ensure safe handling and use of substances;
- to provide information, instruction and supervision for employees;
- to ensure all employees are competent to do their tasks, and to give them adequate training;
- to prevent accidents and cases of work-related ill health;
- to maintain safe and healthy working conditions; and
- to review and revise this policy as necessary at regular intervals.

Responsibilities

1 Write your name here. As the employer you have overall responsibility for health and safety.

2 You can delegate responsibility for day-to-day tasks to someone else, eg manager, supervisor. Write their name here. Make sure they keep you informed about health and safety matters: they are still your overall responsibility.

3 You can delegate specific tasks to individuals in your organisation, by workplace area or by topic. Responsibilities should be clearly set so that if there are any health and safety concerns, they can be reported to the right person

4 Employees have legal responsibilities to take care of the health and safety of themselves and others, and to co-operate with you to help you comply with the law.

1 Overall and final responsibility for health and safety is that of

Richard Knowles

2 Day-to-day responsibility for ensuring this policy is put into practice is delegated to

David Bickerdike

3 To ensure health and safety standards are maintained/improved, the following people have responsibility in the following areas

David Bickerdike - General
e.g First Aid Box - person

- 4** All employees have to:
- co-operate with supervisors and managers on health and safety matters;
 - not interfere with anything provided to safeguard their health and safety;
 - take reasonable care of their own health and safety; and
 - report all health and safety concerns to an appropriate person (as detailed in this policy statement).

Write down your arrangements for doing your risk assessment here. You can use the form on page 33 of this leaflet to record the findings of your risk assessment.

Health and safety risks arising from our work activities

- Risk assessments will be undertaken by

David Bickerdike

- The findings of the risk assessments will be reported to

Richard Knowles

- Action required to remove/control risks will be approved by

Richard Knowles

will be responsible for ensuring the action required is implemented.

Richard Knowles

will check that the implemented actions have removed/reduced the risks.

- Assessments will be reviewed every

12 Months

or when the work activity changes, whichever is soonest.

Consultation with employees

You must consult your employees. If you recognise a union and there is a union-appointed safety representative, you must consult them on matters affecting the employees they represent. If you do not have trade unions, you must consult employees either directly or through an elected representative.

● Employee representative(s) are

Tony Byrne

Laurie Pottage

Tom Croucher

● Consultation with employees is provided by

David Bickerdike

Safe plant and equipment

You will need to ensure that all plant and equipment that requires maintenance is identified, that the maintenance is done and that new or secondhand plant and equipment meets health and safety standards before you buy it. See page 13 of this leaflet for more information.

David Bickerdike

will be responsible for identifying all equipment/plant needing maintenance.

David Bickerdike

will be responsible for ensuring effective maintenance procedures are drawn up.

David Bickerdike

will be responsible for ensuring that all identified maintenance is implemented.

Any problems found with plant/equipment should be reported to

David Bickerdike

David Bickerdike

will check that new plant and equipment meets health and safety standards before it is purchased.

You must assess the risks from all substances hazardous to health. These are your COSHH assessments. Write down your arrangements for doing your COSHH assessments here. See page 6 of this leaflet for more information.

Safe handling and use of substances

●

will be responsible for identifying all substances which need a COSHH assessment.

●

will be responsible for undertaking COSHH assessments.

●

will be responsible for ensuring that all actions identified in the assessments are implemented.

●

will be responsible for ensuring that all relevant employees are informed about the COSHH assessments.

●

will check that new substances can be used safely before they are purchased.

● Assessments will be reviewed every

or when the work activity changes, whichever is soonest.

Write down where you display the Health and Safety Law poster, or where the leaflets are available from, where people can go for health and safety advice and what provision you make for training young workers or trainees.

Information, instruction and supervision

- The Health and Safety Law poster is displayed at/ leaflets are issued by

In the kitchen

- Health and safety advice is available from

www.hse.gov.uk

- Supervision of young workers/trainees will be arranged/undertaken/monitored by

David Bickerdike

-
- David Bickerdike

is responsible for ensuring that our employees working at locations under the control of other employers, are given relevant health and safety information.

All employees must be given health and safety induction training when they start work, which should cover basics such as first aid and fire safety. There should also be job specific health and safety training. You also have to provide training if risks change, and refresher training when skills are not frequently used. Write down your arrangements for training here, including arrangements for record keeping.

Competency for tasks and training

- Induction training will be provided for all employees by

Line Manager

- Job specific training will be provided by

N/A

- Specific jobs requiring special training are

N/A

- Training records are kept at/by

Line Manager

- Training will be identified, arranged and monitored by

Line Manager

DAB/SL/AN
